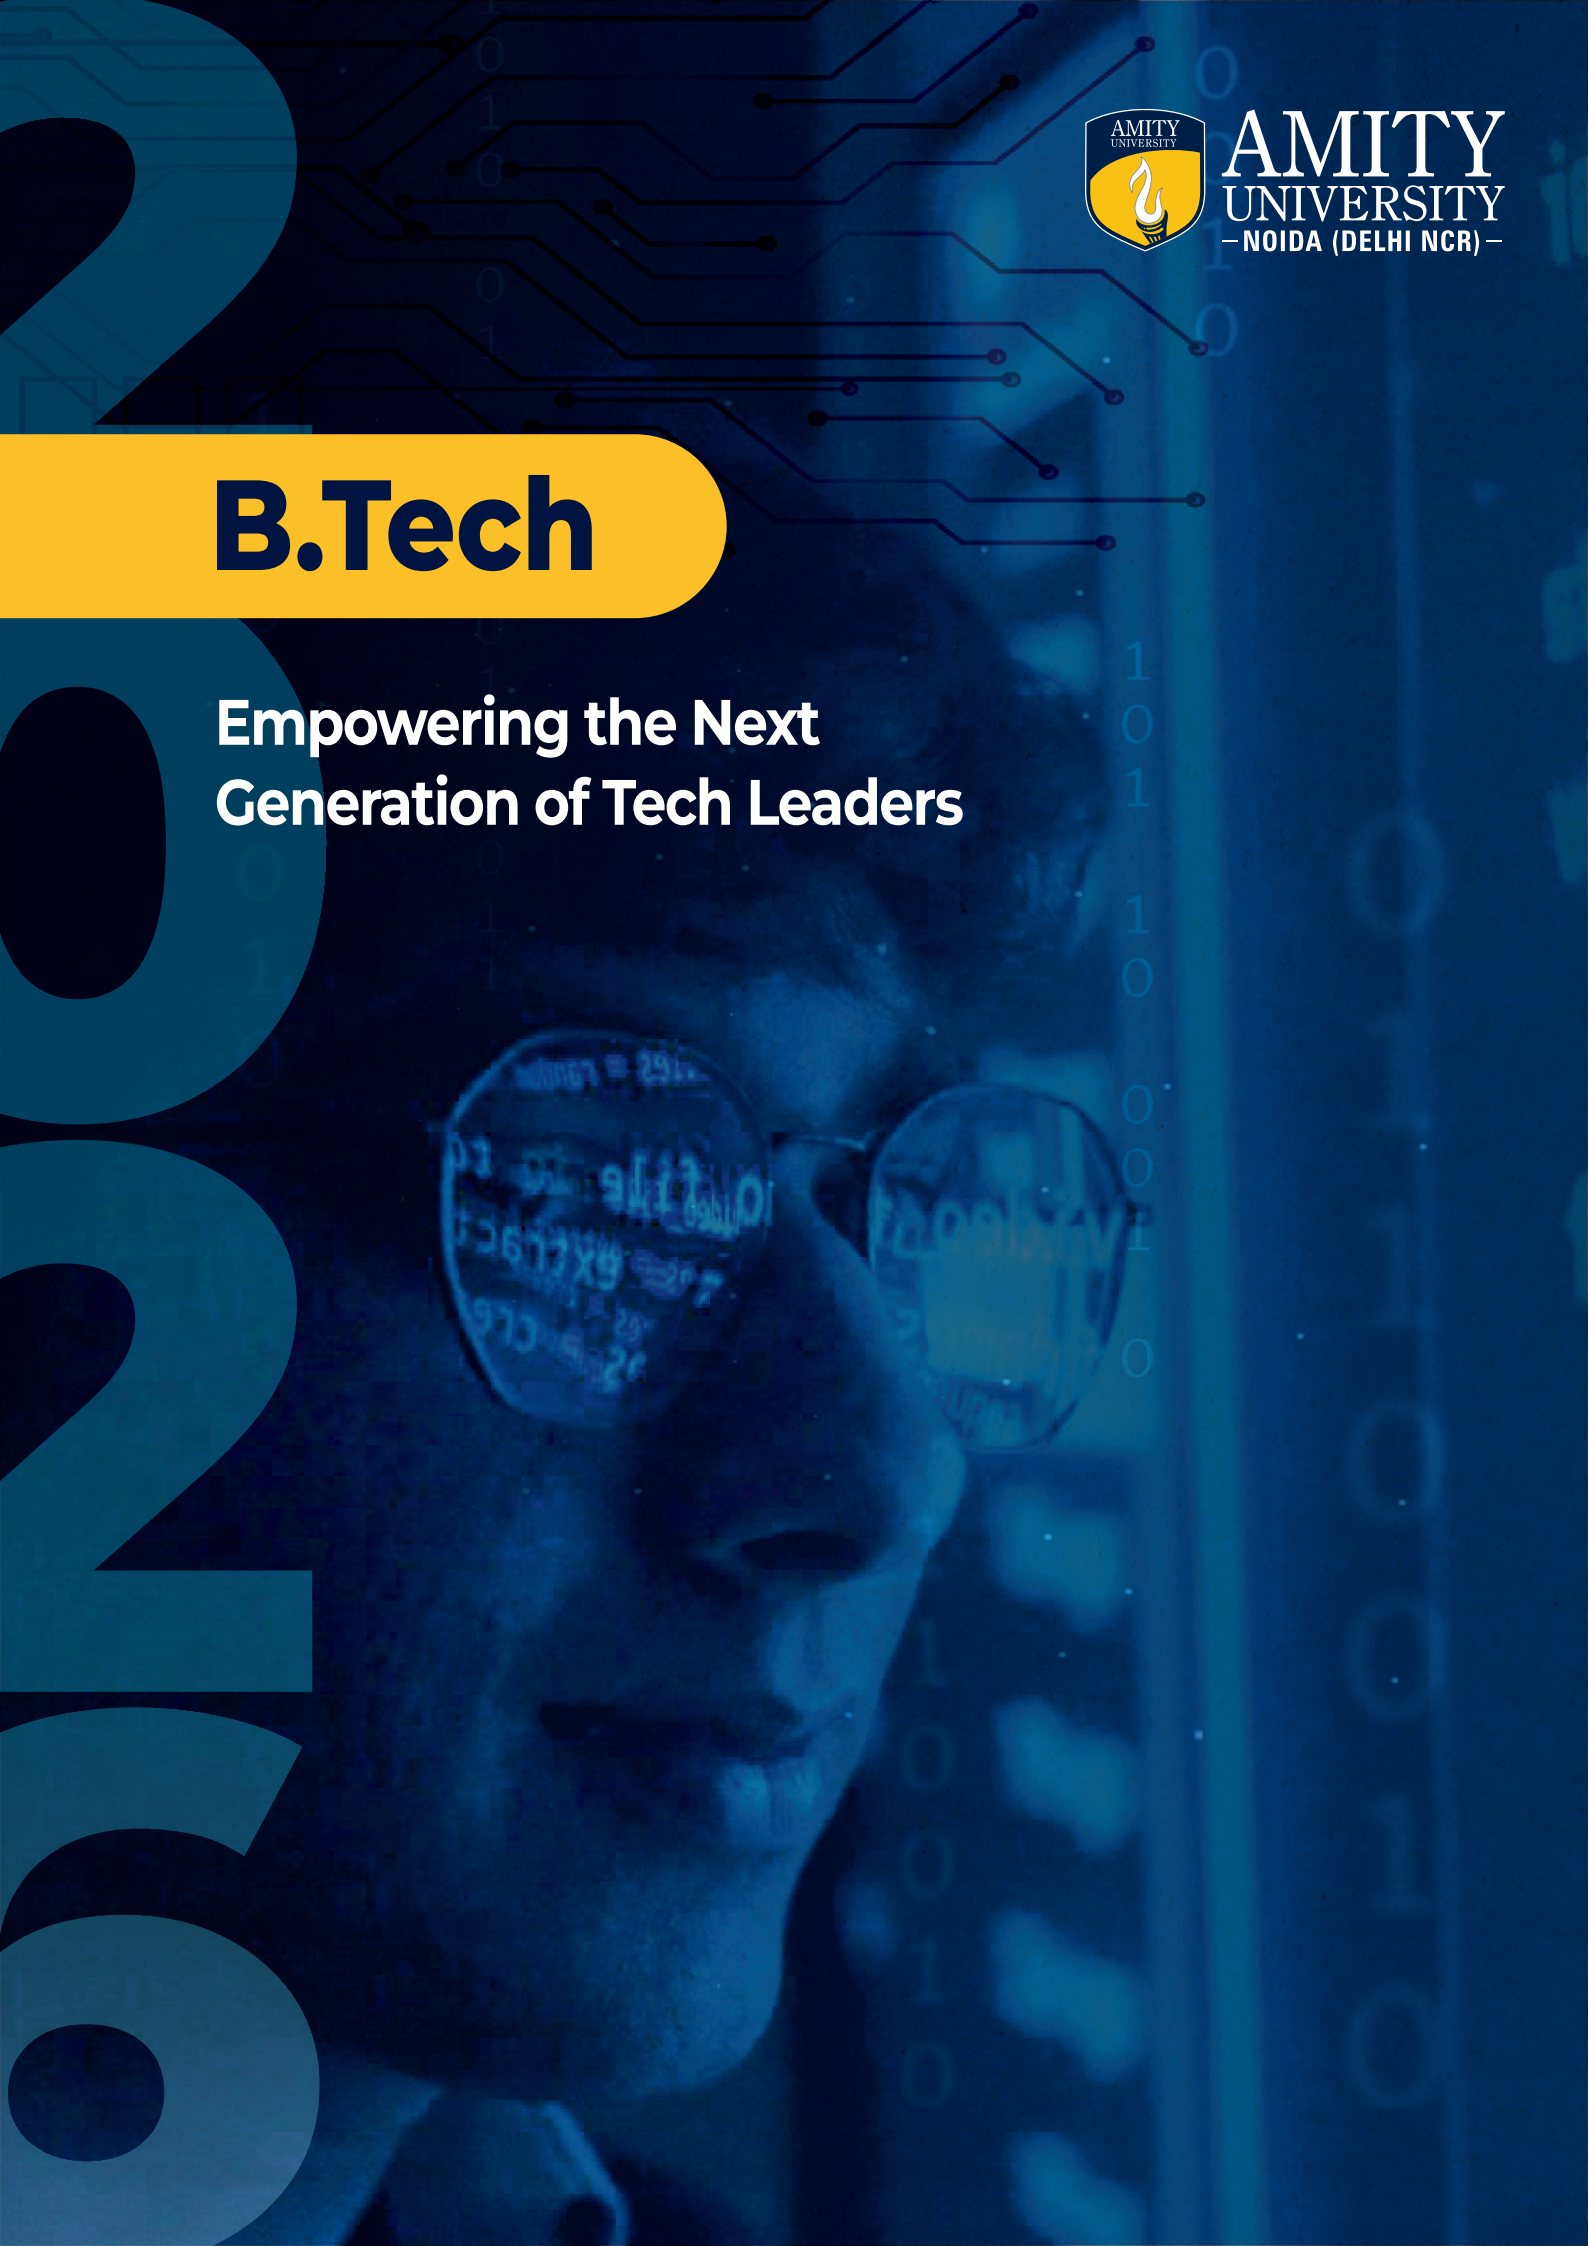
AMITY UNIVERSITY
– NOIDA (DELHI NCR) –

B.Tech

Empowering the Next Generation of Tech Leaders



Amity University Noida
A Hallmark of Excellence

20+ years of excellence

RANKED among the top 3% universities globally

INDIA'S ONLY private university ranked for producing the most employable graduates

#1 ranked private university in India for 11 years

6,000+ campus placements (2024–25)

800+ corporates visited campus for placements (2024–25)

STUDENTS SELECTED in top global universities like Stanford, Oxford, MIT, Cambridge...

9,000+ Amity students have secured 90% in Class XII boards

25,000+ scholarship holders

81 Amity faculty listed in top 2% global scientists by Stanford University

2,600+ patents filed in the last few years by Amity faculty, 450 of which have been granted

5,000+ case studies developed by faculty have been bought by Harvard, Stanford, Oxford...

Amity B.Tech
What Sets Us Apart?

20+ Future-Ready Specialisations

AI & ML, Cyber security, Avionics, Nanotechnology, Biotechnology, and more

Prestigious Fellowships

Students awarded prestigious fellowships/ scholarships like Bharti Airtel Scholarship, Khorana Fellowship, Marie Curie Fellowship....

Innovation Ecosystem

Students have developed innovative products like India's first tri-fuel hybrid car, wireless streetlight systems, and AI-powered plant disease detection.

Strong Peer Network

Students selected for B.Tech (CSE) have secured an average Class XII score of 88%.

Global Exposure

With Dual-Degree, 3-Continent, and Study Abroad Programs across US, UK, Australia, UAE, etc.

Scholarships & Support

Students are awarded up to 100% merit scholarships.

India's Top Ranked **Institute for Engineering**

#1 Ranked University for Computer Science

Among Indian universities as per
Times Higher Education (THE) Rankings 2026

THE Times Higher Education

Top 30
National Universities for Engineering
nirf INDIA RANKINGS 2024

Top 15
Engineering Colleges in India
TIMES ENGINEERING

Ranked #6
in India for Engineering
CHRONICLE Nurturing talents since 1959

Shaping **Future Engineers**

The **Amity B.Tech** program equips students with scientific foundations, engineering expertise, and innovation-driven thinking.

Graduates emerge as adaptable problem-solvers for a dynamic, global industry.

Standard B.Tech Programs

- Computer Science & Engineering
- Aerospace Engineering
- Aeronautical Engineering
- Artificial Intelligence
- Automobile Engineering
- Avionics
- Biotechnology
- Bioinformatics
- Civil Engineering
- CSE (IoT, Cyber Security including Block Chain Technologies)
- Computer Science and Business Systems
- CSE (Data Science)
- Computer Science & Social Science
- Electrical & Computer Engineering
- Electrical & Electronics Engineering
- Electronics & Communication Engineering
- Information Technology
- Food Technology
- Nanotechnology
- Nuclear Science & Technology
- Solar & Alternate Energy
- Mechatronics
- Mechanical Engineering
- Electronics Engineering (VLSI Design & Technology)

International / 3-Continent Programs

- Biotechnology – 3C
- Computer Science & Engineering – 3C
- Biotechnology – International
- Computer Science & Engineering – International

Beyond the **Classroom**

Learn the application of AI

at one of India's most advanced supercomputing facilities with NVIDIA DGX2 A100 @ 10 Petaflop AI Servers

30+ industry-led labs

with Intel, Cisco, Airtel, Tata Technologies....

Live projects

with ICMR, ICAR, Samsung, Thales, and Delsys...

25+ certification programs

with Cisco, SAE, ServiceNow, AWS, NPTEL....

Hackathons & competitions

Google Summer of Code, Smart India Hackathon, Microsoft Azure Challenge.....

Empowering Careers. **Driving Success.**

Amity's Corporate Resource Centre (CRC) ensures that every student graduates career-ready through **Career Readiness Initiatives** like CXO lectures, alumni forums, industry visits, mentorships, and summer internships.

B.Tech 2025 Placement Highlights

₹75 LPA	360+	700+
Highest Salary Offered	Companies Visited	Students Placed

Top Recruiters:

amazon · Google · Deloitte. · EY · Microsoft · Adobe · PayPal · accenture · IBM · TCS TATA CONSULTANCY SERVICES · SAMSUNG · wipro

AI-Powered B.Tech

at One of India's Most Advanced Supercomputing Facility for AI Research & Teaching.

EQUIPPED WITH

NVIDIA DGX2 A100

@ 10 PETAFLOP AI SERVERS

NVIDIA

The B.Tech program integrates Artificial Intelligence into every stage of learning. Students gain strong engineering fundamentals while building AI skills that prepare them for future technologies and industry demands.

- Curriculum covering Deep Neural Networks, Attention Mechanisms, GANs, Transformer Models, and LLMs
- Hands-on AI lab sessions across all major modules
- Opportunities to apply AI for research in engineering domains
- High-quality research exposure with publications, patents, and global collaborations at the UG level

An Ecosystem **That Breathes Excellence**

Amity University Noida's 85-acre smart campus combines modern infrastructure with a vibrant learning ecosystem. From green spaces to collaborative zones, every corner is designed to inspire success and innovation.

VIBRANT CAMPUS LIFE
With 200+ student clubs, the campus is always buzzing with activities, celebrations, and learning.

INNOVATION INCUBATOR
The Amity Innovation Incubator has helped launch 100+ student startups with comprehensive support from funding to mentorship.

SPORTS COMPLEX
A 15-acre sports facility for 35+ sports, featuring an Olympic-sized pool and a 20-lane shooting range.

STUDENT-LED EVENTS
Amity students organise & participate in conferences and competitions, honing leadership, teamwork, & management skills.

CAFETERIAS & DINING
From Domino's and CCD to multi-cuisine cafés, students enjoy diverse, nutritious food options across campus.

The Amity Edge

Choosing Amity University Noida means investing in quality education that delivers lifelong value. Globally recognised programs, industry partnerships, and comprehensive student support equip every learner to succeed.

INDIA'S LARGEST PRIVATE SCHOLARSHIP PROGRAM

with 25,000+ beneficiaries

DIVERSE COMMUNITY

fostering global learning experiences

WORLD-CLASS CAMPUS

with LEED (USGBC) Gold certification

CAREER MENTORSHIP & PLACEMENT GUIDANCE

24×7 STUDENT WELLNESS & COUNSELLING SUPPORT

MERIT SCHOLARSHIPS

100% Scholarship:
Eligibility - 95% + in
Class XII Board (CBSE/ ISC) (2026/2025).

50% Scholarship:
Eligibility – 90% - 94.9% in
Class XII Board (CBSE/ ISC) (2026/2025).

Based on JEE Results 2026:

Scholarship (%)	JEE Main Percentile
100%	97 – 100
75%	94 – 96.9
50%	90 – 93.9
