TRANSFORMING THE EDUCATION LANDSCAPE

Amity Education Group, with its flagship Amity University Noida, has been redefining education for over 30 years. With more than 250,000 students, 14 university campuses, and 28 schools, Amity Education Group has set a benchmark for educational excellence, producing graduates who lead and innovate across industries worldwide.

At its flagship campus in Noida alone, the university offers 600+ UG and PG programs across 18 diverse disciplines, providing students with unparalleled academic choices and opportunities.

The Group's global footprint extends across London, New York, Singapore, Dubai, Abu Dhabi, Sharjah, Muscat, Amsterdam, and Tashkent, among other major cities worldwide.

Amity integrates global benchmarking, industry partnerships, and innovation into its educational framework. By benchmarking its curriculum, teaching practices, research standards, and student outcomes against top international universities, Amity ensures its academic model aligns with global best practices. Through collaborations with leading organisations such as Tata, CISCO, RICS (UK), CII, and others, it continues to strengthen its ecosystem and uphold a legacy of excellence.

Amity provides study abroad opportunities, Industry Interactive Sessions, and an on-campus incubator to build global and entrepreneurial perspectives. Additionally, all students receive AI training across disciplines to ensure they're prepared for modern industry demands.
